

ThePurchasingDept™ has negotiated a National Account master service agreement with G&K Services for uniform (including rental, leasing and direct purchase) and facilities services. ThePurchasingDept™ members group has gained pricing commitments normally reserved for G&K's largest National Accounts.

G&K History

With more than 100 years of experience, G&K Services has a strong history of quality, service excellence and innovation. G&K serves a wide variety of North American and Canadian industries including automotive, warehousing, distribution, transportation, energy, manufacturing, food processing, pharmaceutical, semi-conductor, retail, restaurants and hospitality and many others. G&K's programs include:

G&K Apparel Rental Services

Our branded identity apparel for rent or lease includes work wear, specialty and safety type apparel – customized to the unique image, safety and security needs of our customers.

G&K Facility Services

G&K's comprehensive selection of facility service products like mats, mops, toweling products and a full suite of restroom supplies helps reduce the risk of injury and decrease the spread of germs by increasing cleanliness and hygiene in the workplace.

G&K IS Direct™

G&K IS Direct™ catalog offers a wide selection of apparel, safety items and accessories for purchase – including exclusive representation of Dockers® San Francisco and the UTILI-KHAKI™ from Signature by Levi Strauss & Company™ for the workplace. These solutions are ideal for customer-facing employees, gifts of appreciation, tradeshow and company events.

Why choose G&K Services as your uniform and facility service provider:

- Superior performance & delivery guarantee
- Handheld technology allows: on-the-spot invoicing, reconciliation, wearer changes, etc.
- Standard operating procedures to ensure quality
- Prompt & professional problem resolution
- No surprise pricing that delivers superior value
- National account program thru ThePurchasingDept™ for total company cost control
- An environmentally responsible choice
