

ThePurchasingDept™ has negotiated a master service agreement with Pro Staff for comprehensive hiring solutions which allows us to provide our outstanding services at pricing levels normally reserved for our largest customers.

We Help You Focus on Growing Your Business.

We've been helping organizations like yours put the right people in the right positions since 1982. Our commitment to consistently providing exceptional customer service has made us one of the most trusted and dependable staffing companies in the business.

Personal service delivered with expertise.

With Pro Staff, you'll be serviced by a team of experts that includes specialists in the following areas:

- Administrative
- Finance & Accounting
- Information Technology
- Technical
- Creative Services

Greater Workforce Flexibility

We understand that flexibility means different things to different companies. You need the workforce flexibility to move quickly and have the experienced people ready to work on a moment's notice. Whether it's a staff position or management level, Pro Staff can provide you with the right solution for your situation.

- Long-Term Projects
- Short-Term Temporary Work
- Temporary-to-Direct Hire
- Direct Hire Placement
- Payroll Services

Let us build trust with you.

You don't need another staffing provider. You need a staffing partner you can trust, and who can increase your efficiency, your productivity, and your profitability. That's Pro Staff.
